A screenshot of a Node.js REPL (Read-Eval-Print Loop) window. The window has a title bar with the text "Node.js" and standard Windows window controls (minimize, maximize, close). The main area is black with white text. It displays the welcome message "Welcome to Node.js v12.18.4." followed by "Type \".help\" for more information." and a prompt character ">".

```
Node.js
Welcome to Node.js v12.18.4.
Type ".help" for more information.
